Professional Summary

Dedicated and detail-oriented .NET Developer with 2 years of experience in developing and maintaining robust, scalable web applications using .NET Core, ASP.NET MVC, Web API, and SQL Server. Proven ability to build backend services, RESTful APIs, and integrate UI with efficient data workflows. Experienced in CI/CD pipelines, deployment, and collaboration using Azure DevOps. Strong grasp of OOP, design patterns, and agile development practices. Proficient with HTML, CSS, JavaScript, and hands-on API testing using Postman.

Technical Skills

- Languages & Frameworks: C#, .NET Core, ASP.NET MVC, Web API
 - Backend Technologies: RESTful API Development, LINQ, ADO.NET, Entity Framework
 - Front-End Technologies: HTML5, CSS3, JavaScript, jQuery, Bootstrap
 - Database: SQL Server (Stored Procedures, Views, Triggers, Indexing)
 - DevOps & Tools: Azure DevOps (CI/CD, Repos, Pipelines), Git, Visual Studio, IIS
 - Testing Tools: Postman, Swagger
 - Concepts: Object-Oriented Programming, SOLID Principles, Repository Pattern, SDLC, Agile (Scrum)
-

Professional Experience

Confidev Tech Pvt Ltd – Software Developer

📅 August 2023 – Present

📍 Mumbai, India

Project: Artex Gallagher – Insurance Claims Management System

Tech Stack: .NET Core, Web API, SQL Server, JavaScript, HTML, CSS, Azure DevOps

- Developed and maintained backend APIs using .NET Core Web API for handling insurance claims, policy data, and document workflows.
- Designed scalable database schema, wrote optimized stored procedures and triggers in SQL Server.
- Integrated APIs with front-end components using JavaScript and jQuery.
- Managed source control, build pipelines, and deployments through Azure DevOps.
- Participated in code reviews, version control via Git, and ensured continuous integration and delivery using CI/CD pipelines.

Confidev Tech Pvt Ltd – Junior .NET Developer

📅 January 2023 – June 2023

📍 Mumbai, India

Project: Sunnah Shadi – Muslim Matrimonial Web Platform

Tech Stack: ASP.NET MVC, SQL Server, HTML, CSS, JavaScript, jQuery

- Contributed to backend development for modules such as user registration, profile matching, and payment integration.
- Created and consumed RESTful APIs for login/authentication and user management.
- Worked on UI using HTML/CSS and dynamic behavior using JavaScript and jQuery.

- Tested APIs using Postman, ensured data integrity through SQL constraints and validations.
-

Projects

Artex Gallagher – Insurance Management Platform

A secure, scalable web-based system to manage insurance claims, policyholder information, and internal workflow automation.

- **Role:** Backend Developer
- **Responsibilities:** .NET Core API development, SQL optimization, deployment via Azure DevOps

Sunnah Shadi – Matrimonial Web Application

A matchmaking platform for Muslim users with features like advanced search filters, chat, and subscription-based access.

- **Role:** Full Stack Intern (Backend-Focused)
 - **Responsibilities:** MVC module development, form validations, SQL queries, jQuery-based UI integration
-

Education

Bachelor of Commerce (B.Com) – HBSU, Elphinstone College, Mumbai

 2020 – 2023

HSC – Maharashtra State Board | 2020

SSC – Maharashtra State Board | 2017

.NET Developer Internship – Confidev Tech Pvt Ltd | 2023
